# NOOSA MEDICAL COSMETIC & SPECIALIST CENTRE

LOOK AND FEEL GREAT TODAY!

YOUR HEALTH, WELLBEING AND SATISFACTION ARE OUR TOP PRIORITY

The Noosa Medical Cosmetic & Specialist Centre (Noosa MCS) offers the most advanced technology and experience required to produce real results for individual patients.

The clinic aims to naturally enhance and improve your appearance and achieves an extremely high level of client satisfaction.

Noosa MCS is a purpose-designed clinic offering state-of-the-art technology and personalised care in a beautiful, quiet, discreet, professional and friendly environment, ensuring clients enjoy the experience as well as the result.

In addition to the full range of cosmetic treatments and an array of anti-ageing products, Noosa MCS offers general practice services, with a skin cancer clinic being bulk billed for your convenience.

The clinic believes in the importance of respecting and preserving your individual needs while improving your appearance and self-esteem. It is devoted to patient safety and care, providing a positive experience for those seeking medical and cosmetic treatments.

Cosmetic procedures require advanced expertise, constant education and updates, as well as artistic skills. Practice owner Dr Vera Ivovic is passionate about medical and cosmetic treatments, and gains great pleasure from seeing

her patients happy. The dedicated, experienced, friendly staff at Noosa MCS is willing to assist you at all times, and we offer cosmetic consultations free of charge.

**Procedures include:**

- Dermal fillers/cosmetic injectables
